

CLEAN.

Eliminate the need for tape and sticky residue left behind.

ORGANIZED.

Easily segregate and isolate specific lines for use. Write on your QLINCH Band to further assist line identification.

SIMPLE.

USE, RE-USE¹ and ADAPT to your specific needs. **Strong and durable enough to secure critical components** of IV sets and other cords.

QLINCH™

Securement Band

SAFE.

Improve patient safety & mobility. **Prevent trip hazards and keep lines off the floor** by securing with QLINCH Band.

A better solution
for securing and
organizing equipment.

SOLUTION.

Soft, pliable design will not occlude IV lines or create pressure points.

QLINCH™

Securement Band

**THE SOLUTION
IS SIMPLE.**
