Terms and Conditions of Sale:

Submission of this completed form represents an agreement to purchase, and is legally binding. Nipro Canada reserves the right to reject any order that is not complete or is missing critical information. To cancel this order, notice must be received in writing (email or fax accepted) prior to shipment of product, from an authorized individual. Cancellations after product shipment will be subject to Nipro Canada's return policy and could be subject to restocking charges. Additional details and conditions can be obtained by contacting Customer Service or your Sales Representative.
